

Sebastian Wakefield

Painter and Gilder

Sebastian Wakefield is a professional craftsman specializing in painted decorative effects, including murals and faux finishes. His expertise is specialist paint effects from marbling and graining through to broken-colour finishes including figurative murals and trompe l'oeil. His team worked on a major decorative restoration at Scampston Hall, as featured in Country Life, as well as other projects in Yorkshire and London. These projects often involve his specialist skills as a master gilder in architectural detailing and in restoration and conservation of fine furniture. Sebastian Wakefield is passionate about the quality of the craftsmanship he offers.

Large Scale decorating, Architectural oil gilding, oil painting copy, Water gilding, Marbling, Satin wood graining.
